

KEGWORTH PUBLIC SCHOOL

Commitment, Excellence and Success for the Future

ES1 – BUSH CHRISTMAS PROGRAM

Dear Parents and Caregivers,

For a special end of year treat an incursion program has been organised for ES1 students. This will take place at school and is run jointly by Kegworth Kindergarten teachers and teachers from the Field Of Mars – Environmental Education Centre.

Through an Australian bush Christmas story, images and puppets, the students will be introduced to some well-known Australian animals. Students will learn about the habitats of these Australian animals, what they eat and where they shelter, as well as special adaptations to their environment.

They will also participate in some craft activities-

1. Printing calico bags;
2. Making wrapping paper and gum leaf gift tags.

The session will conclude with the singing of an Australian Christmas song, accompanied by bush percussion instruments

WHAT: Bush Christmas Program
WHEN: Wednesday 29 November 2017
WHERE: Kegworth Public School
COST: \$10.00

Please sign the permission note below and return it with complete payment to your child's class teacher by **Monday 20 November 2017.**
