## PRINCIPAL'S MESSAGE

### ❖ KEGWORTH CUP

Thank you to all of the students who supported our Kegworth Cup this year. The final count raised was \$1111.80 – a tremendous effort showing the generous support of kids helping kids in Stewart House!  
 Congratulations also to class 1G who won the 2017 Kegworth Cup!!

#### ❖ **TERM 4 – STATEMENT OF ACCOUNTS - STUDENT INVOICES**

Thank you to number of parents and caregivers that have brought their child's account up to date. The school still has a significant number of accounts that are still in arrears including Pre-School fees, Band, String fees and instrument hire in addition to workbooks and past excursion costs.

As a result, the school will resend another statement of account via School Bytes via your email. Parents and caregivers will also see that the 'End of Year' activities for all stage groups will now appear on the latest statement.

As the school year is quickly coming to an end, it would be appreciated if all student accounts could be finalised by **Thursday 30 November 2017.**

These accounts are integrated with our Parent Online Payment (POP) system, making payments quicker and easier. Payments can still be made by cash, cheque or EFTPOS at the front Office.

Accounts that continue to be in arrears past this date will result in direct contact being made by either the school and / or the School Principal.

#### ❖ **KISS and DROP PARKING AREAS**

Our new Kiss and Drop banners have been installed last week as a reminder to parents and caregivers to follow the rules when using this area.

Please ensure that your child knows that you will be collecting them from the Kiss and Drop Zone so that they are waiting for you at the entrance of the Kegworth St gates, ready to be collected.

Please be advised that:

- Parking in this area is for 2 minutes only
- Stay in your car
- Penalties apply - \$180 and 2 demerit points
- Kiss and Drop operates from 8:30 – 9:30am - school mornings and 3:00 – 4:00pm – school afternoons

If you are waiting in this area and have exceeded the 2 minute wait:

- Please be considerate to other parents and move out of the allocated space
- Drive around the block - no doubt your child will be waiting for you at the gate once you have come around again

This will assist with greater traffic flow on Kegworth Street and avoid double parking of cars which impacts on student safety in this area, at this time.

Your cooperation and support is greatly appreciated.

Enjoy your week...

☺ Belinda Perih

# Book Club

All orders for Issue 8, our final one for 2017, must be completed by **Friday 25 November**.

As our school has signed up for LOOP, which is an online ordering facility for parents, we will no longer be accepting cheque or cash orders. Therefore you no longer need to fill in or return the paper order forms. Please follow the link on the back of the order form.

# Library End of Year

**A**s the year draws to a close, it is time to remind everyone that there will be no more borrowing of books after Week 7 (Friday 24 November 2017).

All books will be due back by Friday 1 December 2017.

Any student with overdue books will receive a reminder notice to return the book(s). If you have lost or damaged a book during the year, you will then receive an overdue notice that will include a fee. Fees raised will be spent on replacing and renewing our collection. Your prompt response will be very much appreciated!

If you receive a reminder notice but have returned the book, or never borrowed it, please make a short notation on the notice and return it to me.

Also, sometimes books go home without being loaned correctly. If you discover a library book that is not listed on a reminder notice, please return it as soon as possible.

Thanks very much for your support during the year!

# P & C News

## Presidents Report Kegworth Public School P&C – 2017

*A very big thank you to everyone involved in the P&C for 2017 and all the community volunteers. We had some amazing highlights that come to mind*

- **The FARE** – this year the FARE raised almost \$40,000 which is an incredible result, especially given the weather situation. The other highlight here was the collaboration with the FARE team and the P&C. We have all worked incredibly hard to help the overall Kegworth community.
- **130<sup>th</sup> Anniversary** and community support (tea towels) With some local political guest we have now formed great relationships and can call on these people to assist the school moving forward.

**Woolworths Earn and Learn** – from 19,000 in the previous year to 45,000!

*This was a massive effort and thank you to everyone involved, especially, Karen Trish, Pip and Helen. The orders will arrive early 2018 and we look forward to the school receiving sporting equipment, books and arts and crafts.*

**Traffic and Road Safety** – We pushed Roads Maritime Services and Roads Safety to ensure that Kegworth was higher on the list regarding the Red Flashing lights for the school zones which was a great result. This was a big win, as a number of schools still don't have flashing light school zone signs. We continue to be challenged on a few of the other road safety and parking issues and will continue to stay focused on child safety.

**Communication** - We have really tried this year to communicate and over communicate.

*We started the newsletters, and they have been well received, with positive feedback from many of the parents. The other great communication avenue is the new P&C noticeboard. We are all being very deliberate in our communications to ensure people understand what we are doing and where the money is being spent and what impact we are having on the school.*

**Gardening Bees** - We held one gardening bee this year and with great success, we managed to uncover some families with landscape type businesses that were of great assistance. We also had the garden beds finished in the senior playground near the cottage. Thank you Leon for leading the working bees.

**Clean Up – P&C Shed and container** - This year we had two clean ups in this area too.

*After the FARE we cleaned out the shipping container (as much as we could) with the disposal of old signs, microwave and general rubbish. Late October, we did the full clean out of the P&C Shed at the school and managed to completely empty and organise this space – A massive achievement for all involved! Big thank you to Karen, Rachel, Kiri, Pip, Trudi, Jennifer V.*

**KOOSCH** – We have ensured we have great communication and partnership across the school activities. We have part funded things both ways to support the school and will continue to stay focused on best interest for the children especially in regard to safety.

**School Banking** – A very big thank you to all the volunteers that help run the School Banking program. This is a great initiative that encourages good financial habits for kids early and helps them understand the concept of saving. This program was kicked off by someone that was very passionate about this and made a difference – Thank you to Deb Soler who implemented the program.

**Fundraising** – We started the year with “March Madness” and the meat raffle events we raised over \$2,500 and these were great opportunities for families to get to know each other.

*The Mother's Day and Father's Day Stalls were a fantastic opportunity for the children to make an independent purchase while raising funds for the school and these raised \$3,200. The fantastic Bunnings BBQ also took place at Bunnings Ashfield - this was a great opportunity to raise money via a community event. We had many additional activities and would like to take this opportunity to thank **Karen Laing** who managed the fundraising for Kegworth P&C.*

## FUNDRAISING

In 2017, we  
have raised  
over \$55,000

## ETHICS CLASSES AT KEGWORTH PUBLIC SCHOOL

Could you be an **ethics coordinator** or an **ethics teacher** for Kegworth?

Our current ethics coordinator and one of our ethics teachers are moving on at the end of this year and we are seeking volunteers so that classes can continue next year. Ethics classes began at Kegworth in 2012 and are currently available for children in classes from grade 2 to grade 6.

**The ethics coordinator** communicates with school staff, supports ethics teachers and liaises with Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the program.

This role provides a great opportunity for a working parent who might be unable to volunteer during school hours and is a rewarding way to engage with the school community. Times are flexible, requiring approximately 1 hour per week. Online training is provided.

**Ethics teachers** receive full training by Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the ethics program. Training consists of a two day workshop and short online modules. Lesson materials are provided. Suitable volunteers have an interest in children's education and development of critical thinking skills and must be available at 2:45pm on Thursday afternoons each week.

In ethics classes, children learn how to think logically, disagree respectfully and support their arguments with evidence, rather than act according to blind habit or peer pressure.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit [primaryethics.com.au](http://primaryethics.com.au) and contact Lee Geary (Kegworth's current ethics coordinator on 0432 560 380 or email: [lee.geary1974@gmail.com](mailto:lee.geary1974@gmail.com)).

Thanks,  
Lee Geary

*In time, not very much time at all, it will be the decisions of the children we teach today that will shape the world.*

DR SIMON LONGSTAFF AO - EXECUTIVE DIRECTOR - THE ETHICS CENTRE

*Ethics classes are designed to get children thinking, deeply and well, about ethical issues.*
