PRINCIPAL'S MESSAGE**❖ CONGRATULATIONS YEARS 3 & 4 STUDENTS!**

Big congratulations and thank you to all of the students who have been attending swimming school over the past fortnight. Attending teachers and staff at the pool have reported that our Kegworth students displayed exemplary behavior in and out of the pool and followed all instructions given on the way to, at the pool and on the way back to school. Everyone enjoyed their time during the swimming lessons and found this to be a very valuable experience. Fabulous news and thanks for being such great Kegworth ambassadors – top job kids!

❖ HALLOWEEN DISCO - THANK YOU!

Hope you all enjoyed the Halloween Disco last Friday night. It was once again, another fantastic community night thoroughly enjoyed by all who attended and was 'howling' success!

Big shout out of thanks to:

- our wonderful hard working music committee parents for organising and coordinating the event;
- the many parents and carers who volunteered to help, brought cakes to sell, coordinated other stalls and stayed back to clean up;
- Team Kids for getting everyone into the spirit with face painting and hanging decorations;
- The Kegworth staff who volunteered their time to help with setting up, decorations, supervision, clean up and dress up and
- All of the Kegworth kids who attended, dressed up, danced, sang and generally had a fab time!

❖ TELL THEM FROM ME - PARENT SURVEY

I am pleased to advise that a total of 70 parents - 23.33% of our parent community completed the survey this year. This has been the best ever response received! Many thanks for assisting the school with future directions by providing your opinions. We are now waiting for all responses to be collated, including those from our teaching staff and Year 4 – 6 student survey results. A final report will be provided to the school by the end of the year. Further information will be reported via the school's Annual Report at the beginning of next year.

❖ SAVE THE DATE

This year we will be hosting our annual parent thank you in the form of a "Wine & Cheese Night". If you have helped the school in any capacity this year, we would love to see and thank you at this event. Save the date now in your diary – Wednesday 20 November from 6:00 – 7:00pm. Unfortunately, children cannot be permitted to attend. More information coming soon – watch this space.

❖ PROGRAMMED MAINTENANCE – EXTERNAL PAINTING

The school is currently working in collaboration with the DET Asset Management Unit to repair and repaint the external areas of the administration and music hall blocks. Both of these areas require a lot of work to prepare, repair and / or replace eaves and timber work as well the overall preparation to repaint all previously painted surfaces. As a result, the school in consultation with the school community will have the opportunity to vote on the preferred new colour choice for these areas.

Over the last term, the school enlisted the support of Inner West Council to ensure an understanding of heritage requirements and compliance. A Dulux colour consultant was also enlisted to put together three possible colour scheme image composites which comply with both council and heritage requirements.

As of next week, a photo stand will be made available for your viewing, near the front foyer. You'll be able to cast your vote for your preferred colour scheme option in preparation for when painting work will begin. Voting will be available for a period of three weeks only, closing on Friday 23 November 2019. Please only vote once. After all votes have been counted, we'll announce the new colour selection for our school!

Enjoy your weeks...

☺ **Belinda Perih**

Years K – 2 - Poetica

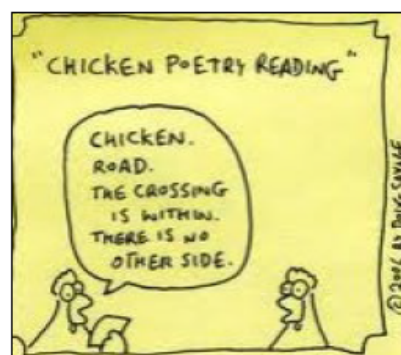

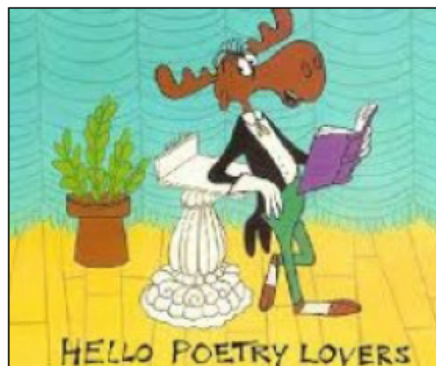

Once again Years K - 2 students will have the opportunity to share and hear favourite poems. We are hoping to hear poems that are funny, beautiful, whimsical or interesting.

At home, please help your child to find a poem s/he enjoys and practise it in preparation to recite to their class on their news day in **Week 5** (Monday 11- Friday 15 Nov).

The poem need not be memorised, but should be practised so that it is presented confidently and is engaging with the audience.

Don't forget to tell us the title of the poem, the name of the poet and the reason behind your choice.

Two children from each class will be selected to present their chosen poem at our special **Year K-2 Poetica Assembly** beginning at 2.30pm in the Assembly Hall on **Tuesday 19 November** to which parents/carers are welcome to attend and enjoy.

PBL NEWS

Our Term 4 – PBL lesson focus is **“RESPONDING TO TEACHER INSTRUCTIONS”**

All K – 6 students and teachers will be reviewing the expected behaviours and positively responding to appropriate student behaviours as per the matrix.

Please review and reinforce these behaviours with your child / children at home.

Teaching Expectations & Rules

Term 4 Focus

Teaching matrix expectations: Commitment

Responding to Teacher Instructions:

- ‘Stop, Look and Listen’
- ‘Eyes and ears to me’ ‘Lips closed’
- ‘Fold your arms’.

Context	<i>Classroom, Music Hall, Art Room, Playground</i>
Tell	<i>Discuss why rule is important: Maximizes learning time, clarity, safety.</i> <i><u>Real world connections:</u> Fire Drills, knowing what you have to do- performing arts concert, important in groups, being part of a team.</i>
Show	<p>Model the rule including non-examples:</p> <p>-Eyes and ears to the speaker, ‘Stop, Look and Listen’ What does stop mean/look like, -stop moving-stop talking, things out of hand, eyes on speaker.</p> <p>- respond in the first instance to instruction (countdown)</p> <p>-Non examples- continuing to talk or move, continuing with task, moving before instruction has been finished, not following instructions in timely/efficient manner.</p> <p>Note that the adult models the non-example (not the student).</p>
Practise	Give students opportunities to role play the rule across all relevant settings.
Feedback	<p><i>Observe student performance & give positive specific feedback</i></p> <p><i>‘Well done, for responding to instructions promptly’</i></p> <p><i>‘Well, I can see that you are following my instructions’</i></p>

ENVIRONMENTAL NEWS

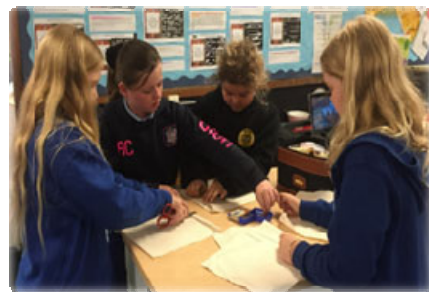

Kegworth is stepping up its commitment with our environmental responsibilities, to significantly reduce our waste, to support a more fruitful future for our children.

Our focus for Term 4 will be the reduction of plastic coming from our school canteen. **DON'T PANIC...** this will be a slow and thoughtful process.

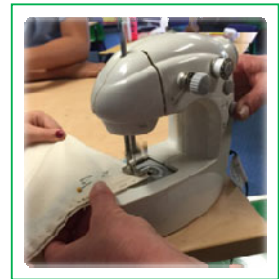

Our first step will be to remove the use of plastic forks and spoons from the canteen. In preparation for this, a group of Stage 3 girls have been working tirelessly with me

almost every lunch time for over a term, to create calico bags to store clean forks and spoons in each classroom. These girls designed, evaluated and improved the bags, which they have stitched by hand and with patience on a sub-standard machine. Finally one bag has been completed. We were given some

great news last week by a Petersham community member, Ann O'Brien, who has generously sourced and donated a better quality machine to Kegworth PS. The girls and I thank her dearly.

When the forks and spoons have been used they will be collected by our Environmental Warriors and washed in the staffroom dishwasher.

How can I help? I hear you asking...

Well it's easy. In the link-way closest to Lords Rd, you will find a tote tray with a label

"FORK AND SPOON DONATIONS" Simply drop in a spoon (tea or table) or a fork for our collection.

In addition, our committed SRC, will be assisting us, in rolling out a soft plastics collection. Each class will be expected to have all scrunchable plastics placed in a dedicated bag. A poster will also be provided to clear up any confusion.

When the bag is full, the SRC students from each class will return it to 4R, where a new bag will be given. The soft plastics will be delivered over to Woolworth or Coles for recycling. Of course, we would prefer it, if we boycotted any single portion packaging in the first place, as we are just placing convenience before the environment.

Envirobank Update:

Our school community has continued to collect 10c containers to reduce landfill. At a total of approximately \$3200, we have successfully made sure that at least 32000 bottles have been recycled, what an effort Kegworth - that's commitment!

We have had a slight change in our collection pick-ups, now only having them once a term.

The **next collection** is on **Tuesday December 3**. Please continue collecting and bring the bags into school whenever it is convenient for you. Take another bag, fill it and return... repeat, repeat, repeat!! ☺

Our dedicated Enviro-team continue to sort, store, collect lids and count our bags. I'm exceptionally grateful to these committed students, who at a drop of a hat whenever need, they give up their lunch break... this would more regular than anyone would realise. They are a reliable and organised TEAM.

We are now also collecting the lids to send to Lids for Kid, an organisation, which makes prosthetic limbs for children. It truly is a win - win!!

Our outstanding collector for Term 3 was Charly P (5/6T), who regularly brings in many Envirobags. Her secret to success... take a few extra bags home and give them to family and friends. I'm loving the dedication Charly is showing to the environment and Kegworth.

If you have some tips to share on how you collect for our school, let Ms Radburn know so she can share it with the rest of our school community.

Many thanks to everyone involved!! Leah Radburn.

Koori Art Competition 2019

Kegworth Strength from the Heart... this is the title of our Koori Art submission for 2019.

Over the last week or two our Aboriginal and Torres Strait Islander students from Kegworth have been creating a canvas for the Koori Art Competition. This is an annual event organised by the Aboriginal Education Office.

This year our canvas was inspired by The Uluru Statement From the Heart, an important document given to the people of Australia from our First Nation People, outlining what they want from our

government; **Voice Treaty Truth**. It is a beautiful document and in short is asking for A VOICE; in our parliament and constitution, A TREATY; with our government; THE TRUTH; to be told about our hidden history.

These students had the absolute privilege to have guidance from one of our talented parents, Nicole Ferguson, who in her own right is an outstanding artist. Nicole has spent almost every day over the last 2 weeks guiding and teaching our students along the way. The students have ended up with a meaningful

canvas which will be considered as a part of the exhibition. Regardless of the outcome, this canvas has demonstrated a connection, pride and strength in our Aboriginal and Torres Strait Islander students, which we celebrate and support from our hearts. What a deadly opportunity!! Top job to our students and sincere thanks and admiration to Nicole.

The successful artworks will be displayed at the Sydney Maritime Museum from 20 November until

30 January 2020. This student exhibition is usually of very high standard and is definitely worth a visit over the Christmas holiday break. Opening Hours are 9:30am to 5:00pm.

Orange Grove Cultural Day

Yaama, as they say in Gamilaroi, which is the language of our First Nations people, from Northern New South Wales. Gamilaroi is the focus language at Orange Grove PS, where our Aboriginal and Torres Strait Islander students participated in an informative and tactile day, learning about Aboriginal Culture; the oldest living culture there is.

Throughout this wonderful day, which Orange Grove PS hosted, our students were offered the following activities; painting their hand prints on a progressive artwork, handling cultural objects, playing traditional instruments, weaving, dancing and a game of tag with David Fauonuku from West Tigers.

This day was full of excitement; building knowledge, friendships and being proud of culture, all of which has links to success. Another key message from the day was – “to get a good education!” I trust each and every child here at Kegworth will get just this.

EVERY CHILD who attended from Kegworth has made us VERY proud with their courtesy, care and commitment on the day.

A very special thank you to Georgia, for assisting with transportation for our children and also to those parents who took children directly to Orange Grove. Of course we also thank Orange Gove PS for hosting this event each year.

I'm sure the children slept well that night!

These pictures say it all...see the display in the link-way for more details.

Cool Carry Bags at Kegworth!

Kegworth is now proudly urging the school community, to use our new set of “**Borrow and Bring Back Bags**”, situated in the Lords Rd link-way. As the name suggests, we encourage our students and families to use these bags, instead of the unfriendly plastic version, when bring or taking items to and from school.

It has been a beautiful collaborative effort between Kegworth families and class 4R of 2018, who have made this happen. A very special mention to **Celia**, from **Dragstar Designs; Newtown** for donating 100 calico bags, with a desire and passion to see our school **GO GREEN**. **Mark & Steph**, from **Publisher Textiles; Leichhardt**, generously printed our bags for free.

Do yourselves a favour and check out both of these innovative and creative businesses, who pride themselves with products and services of quality, originality and sustainability.

KEGWORTH TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Our first week back at TeamKids has been remarkable as we gave out 3 hero badges! It's also been action packed as we introduced clubs and some new sensory and explorative activities. It has been great to see the children getting involved and having fun in our clubs, while learning about the three R's for Sustainability Week. They learnt how to make green earth muffins and coconut balls, they got innovative in STEM club making mazes and bridges out of everyday reusable items, they explored using their body to make animals in drama and made their own instruments in music. They cleaned up an old vegetable patch in gardening club and put together our new compost bin and have collaborated to make dance routines.

Week 2 they were busy making Halloween decorations for the schools Halloween Disco and have been exploring activities around minibeasts after their discovery of them while gardening. See you for some spooky fun next week!
