PRINCIPAL'S MESSAGE

❖ KEEPING OUR KIDS SAFE

On Tuesday 26 November, Years K – 2 students will be meeting with a special guest visitor – Sgt. John Brettle. Sgt. Brettle is our local Police Youth Liaison Officer based at Glebe Police Station. We have asked Sgt. Brettle to come and talk to our students about the importance of keeping themselves safe and stranger danger. Any parents and caregivers who are interested in hearing this information are welcome to attend.

❖ SCHOOL CANTEEN UPDATE

Our school Canteen has advised our school that Flexischools morning cut off time for all orders has been extended to **8:45am** for your convenience. This is effective immediately.

Our last Canteen Treat Day for the year has been organised for Wednesday 11 December for over the counter sales only from 11:30 – 12:15pm for all K – 6 students. Treat bags can be purchased for \$1:50.

Please also be advised that due to the K – 6 End of Year Picnic Day on Friday 13 December - there will be no Canteen operating on this day.

❖ TERM 4 STUDENT INVOICES

Many thanks to the number of parents and caregivers who have already brought their invoices up to date for this year – greatly appreciated. The final date due for all invoice payments is this coming **WEDNESDAY 27 NOVEMBER**, which includes payments for all Preschool fees, band & string fees & instrument hire, end of year picnic days and any other school incursion or excursion events that have taken place.

Given that we are quickly coming to the end of the school year, payment plans and extension of time cannot be provided. Please remember that all accounts are integrated with our Parent Online Payment (POP) system, making payments quicker and easier. Payments can still be made at the front office by cash or EFTPOS.

❖ FINAL K – 6 ASSEMBLY

Our final Yrs 3 – 6 Assembly will be held on Tuesday 3 December 2019 at 2:20pm in the Assembly Hall. During this assembly, certificate presentations will be made to a number of student groups including Student Representative Council students, Press gang and the last of the K100 award winners. Parents and caregivers are welcome to attend.

We also invite you to join us for our Presentation Ceremony and Year 6 Graduation on Thursday 12 December 2019 – information for this event can be found further in this week's Newsletter.

❖ SEMESTER 2 - K – 6 STUDENT REPORTS

Our Semester 2 - K – 6 Students Reports are currently being finalised by our teaching staff.

All K – 6 students will receive their report on Wednesday 11 December 2019. Parents and caregivers will be able to see the progress that your child has made over this year and celebrate their achievements in number of academic and social areas. Should your child requires their school report earlier because of travel leave exemptions, please notify the school front office as soon as possible so that arrangements can be made to accommodate.

❖ CLASS PLANNING 2020

Planning for 2020 classes is almost complete. Next year, our school will continue to operate with a 14 x class structure and may include a number of stage-based classes across some year groups. We are still finalising our 2020

class structure, including the matching of teachers to classes and will aim to have this information available to you in the last Newsletter.

As you can appreciate, a considerable amount of time and discussion between teaching staff is undertaken to formulate the best combination of classes and students.

When forming classes, the following priorities need to be considered:

- Separation of siblings;
- Gender balance;
- Students with high support needs;
- Students with medium support needs or similar needs e.g. – speech needs, ot needs;
- Students with Individual Learning Plans (IEP) or Personal Learning Plans (PLP);
- English as a Second Language – student groupings;
- Mixed ability groups within a class;
- Separating students who have been identified as not being able to work productively together;
- Suitability for composite classes (if required);
- Other extenuating circumstances.

Parent / caregivers requests received for a particular teacher or to place students together because of friendship groups, cannot always be accommodated. Unfortunately, this frequently presents problems if students' choices in "having a friend in the same class" is not accommodated or even reciprocated, leaves some students' upset as a result.

The promotion of friendships at school should be encouraged through the many other school opportunities that arise each day such as lunch and munch breaks and / or combined year group activities, where learning to get along with other people and / or the making new friends supports students' social skills, which is also perceived as a necessary life skill. Friendship groups are not a priority when forming classes. Ensuring a productive learning environment in the classroom is. Please be prepared to discuss this issue with your child should any questions arise at the beginning of the year, if your child is not placed in the same class as someone who is in their immediate friendship group.

❖ **WORKBOOKS 2020**

Our school will be engaging booksellers as per previous years, to purchase our student workbook requirements for 2020. Parents and caregivers will be able to access an online ordering and payment system for their child's 'workbook pack' which will then be delivered to the school for your child to use in the second week of Term 1, 2020.

We are currently finalising each year groups' school order and will be able to provide you with more details about the ordering process before the end of the school year.

❖ **STUDENT ESSENTIALS 2020**

At the end of each year, a list of year group requirements is provided so that parents & carers can start getting organised for the following year, over the holiday break. This information will be provided for you in our last Newsletter for this year.

❖ **PROGRAMMED MAINTENANCE – EXTERNAL PAINTING**

Many thanks to the many students, staff, parents, carers, grandparents and friends who took the time to cast their vote for our new school external colour. All votes have now been counted and with a slim margin of only 2 votes – Colour Option 3, was the overall winner!

The final tally of votes were:

- ★ Colour scheme 1 – blue tones = 234 votes
- ★ Colour scheme 2 – green tones = 62 votes
- ★ **COLOUR SCHEME 3 – BEIGE TONES = 236 VOTES**

The new colour choices have now been provided to our onsite painters and you will slowly see the transformation of colour as work begins on the Music Hall, parts of the A block main building and the Team Kids - Before & After Care building.

The front facing façade of A block – main building will be completed at some stage once school returns in 2020. This section of the building requires far more repair and / or replacement work including a sectional roof replacement, prior to any new paintwork undertaken. Given the amount of work required, it was determined that this area best be completed next year rather than trying to get everything finished before the year end.

Regardless of the final timeframe for the overall completion, it will be wonderful to see a new, fresh and transformed school exterior that we can all be proud of!

Library End of Year

As our school year is drawing to a close, it is time to remind everyone that the LAST BORROWING DAY IS FRIDAY 29 NOVEMBER 2019 (TERM 4 – WEEK 7)

All books must be returned to the school, no later than **FRIDAY 6 DECEMBER 2019 (TERM 4 – WEEK 8)**

Any student with overdue books will receive a reminder notice to return the book(s). If you have lost or damaged a book during the year, you will then receive an overdue notice that will include a fee. Fees raised will be spent on replacing and renewing our collection. Your prompt response will be very much appreciated!

If you receive a reminder notice but have returned the book, or never borrowed it, please make a short notation on the notice and return it to Ms Wilson.

Also, sometimes books go home without being loaned correctly. If you discover a library book that is not listed on a reminder notice, please return it as soon as possible.

Thank for your assistance and don't forget to keep reading!

Regional Cricket Day

"Whack" the ball was off and a six was made. Cheers go off as the Kegworth girls team hit the winning runs in against Cromer PS. The day was filled with fun, great sportsmanship and awesome games.

But let's go back to the start....

Sadly, IGS didn't show up (our opponents in the 1st match) so we played year 6 verse year 5. The year 6's won. The next 3 games however we won 1 and lost 2.

During lunch we had a dance competition where 4 people from each school went up and danced. Only Zara and Ally did it, however no one voted for us to win. NOT EVEN KEGWORTH!! The winners were Forestville. Later on there was a high catching competition, Zara and Juliet were voted to go in. Although they didn't win they did great. The win went to PLC.

Overall it was an extremely fun day and everyone enjoyed batting, bowling, fielding and each other's company. In the end the winners for the girls were Forestville and the boys Christian Brothers.

There were outstanding performances from everyone in our team and we managed to put what we had practised in training in to practise.

A big thankyou to Holly's mum and Regina's dad for providing player transport on the day!

Cool Carry Bags at Kegworth!

Kegworth is now proudly urging the school community, to use our new set of **"Borrow and Bring Back Bags"**, situated in the Lords Rd link-way. As the name suggests, we encourage our students and families to use these bags, instead of the unfriendly plastic version, when bring or taking items to and from school.

It has been a beautiful collaborative effort between Kegworth families and class 4R of 2018, who have made this happen. A very special mention to **Celia**, from **Dragstar Designs; Newtown** for donating 100 calico bags, with a desire and passion to see our school **GO GREEN**. **Mark & Steph**, from **Publisher Textiles; Leichhardt**, generously printed our bags for free.

Do yourselves a favour and check out both of these innovative and creative businesses, who pride themselves with products and services of quality, originality and sustainability.

NEWSLETTER

WHAT'S BEEN HAPPENING

4th November – 15th November

We have had a REMARKABLE and FUN few weeks which has seen Ben Moses and William Berlemans receiving our Hero Badges! Well done! Last week was Science Week and the children were involved in lots of experiments that sparked their curiosity, observation and problem solving skills. We discovered it took 1 week for a skittle to dissolve, they learnt how to cook smores in a solar oven, how rain fell from a rain cloud and much more. This week we have been learning about Aboriginal Culture and learning how to draw some of the Aboriginal symbols.

Due to the recent Bush Fires the children wanted to take ACTION. We had a brainstorm and it was agreed to sell lemonade to raise money for the Koalas. It was a fantastic initiative by the children that showed true care and an entrepreneurial spirit. Thank you for your support! We raised \$312.95. This will be donated to Port Macquarie Koala Hospital.
