PRINCIPAL'S MESSAGE

❖ SEMESTER 1 - K – 6 STUDENT REPORTS:

Our Semester 1 - K – 6 Students Reports are currently being finalised by our teaching staff. All K – 6 students will receive their report on Wednesday 3 July 2019. You will be able to see and celebrate the progress that your child / children have made over this time and celebrate their achievements in a number of academic and social areas.

Parent, Caregiver and Teacher Interviews will be held by request in Term 3 - Weeks 8 and 9 (beg. Monday 9 September). Teachers may also request that you contact them for an interview. Alternatively you may contact your child's teacher for an interview to discuss your child's progress at this time.

❖ LOST PROPERTY:

In the school's Lost Property area there are a significant number of clothing and lunchbox / drink bottle items without names. Before the end of term, please encourage your child or come along and have look yourself, for any items that you may have lost. Any lost property that is not collected by Wednesday 3 July will be donated to charity or to the

Uniform Shop's second hand clothing pool. Holidays are always a timely reminder for parents and caregivers to review and if necessary, re-label your child's school items in preparation for the next term.

❖ **PROPERTIES UPDATE – MPR - BEFORE & AFTER CARE BUILDING WINDOWS:**

I am very pleased to advise that the extensively damaged windows in the MPR – Before and After Care (where Team Kids are currently located) will finally be replaced! After endless conversations, spanning over the past 18 months with the Department's Asset Management Unit and Spotless, it has been determined that these three windows will be fully replaced at no cost to the school. Window replacement work will take place beginning Wednesday 3 July through to Friday 5 July 2019. Team Kids should be able to operate as per usual with minimal impact, during this time. We look forward to opening our new windows and getting lots of wonderful fresh air into this space once the warmer weather arrives!

❖ **PARENT & CARERS – FIRST AID COURSE**

An expression of interest will be forwarded to parents and caregivers who might be interested in attending a First Aid course, at the school. The course will require approx. 7 hours of interactive training sessions with highly skilled first aid educators to learn vital skills of CPR and emergency first aid care. There would be a cost of approx. \$75 – 80 per participant. It is anticipated that this course would be offered on a weekend. Please consider your interest for this course and complete the expression of interest when it is forwarded over the next fortnight.

❖ **TERM 2 – STUDENT ACCOUNTS**

Thank you to the number of parents and carers who have already paid their child / children's student accounts for Term 2. Unfortunately, once again there are a number of accounts that continue to be in arrears including Preschool fees, band or string fees, and instrument hire in addition to workbooks and past incursion / excursion costs. Date due for all Term 2 accounts was Friday 14 June 2019.

Over the next fortnight and if need be, at the beginning of Term 3, I will begin to make direct contact with any parents or carers who have any outstanding student accounts.

As always, if you are experiencing financial difficulties, please contact the school front office to arrange a time to discuss payment options either with myself or Mrs Shepherd.

❖ **SCHOOL SECURITY**

As we head into another holiday period, it would be appreciated if our school community could be vigilant and responsive to any acts of vandalism, break in or theft incidences. If you should notice any personnel (other than school personnel) during the holiday period in the school grounds, please assist us by contacting the police or Department of Education School Security Unit on 1300 880 021.

❖ **HOLIDAY GREETINGS!**

It's been another busy term at Kegworth and the holidays are just around the corner. Keep warm and healthy and don't forget to enjoy a good book or go out and enjoy any wonderful weather that we might encounter over the holiday break – see you all in Term 3!

Enjoy your weeks...

☺ Belinda Perih

The Multicultural Perspectives Public Speaking Competition 2019

Another successful year for the Multicultural Perspectives Public Speaking Competition. Reports from teachers was that the standard for the classroom speeches was very high, making it very difficult to choose those students to compete in our Kegworth Speak Off.

Kegworth Speak-Off

On a very nerve-wracking and tense day, all our finalists bravely presented their speeches to their peers and to the adjudicators to determine our winners for the day.

As well as presenting their prepared speeches, stages 2 and 3 had to quickly write and present an impromptu speech – the most difficult part of the whole competition.

After serious deliberation, the winners were announced:

- ★ Stage 1: Nina (1-2W)
- ★ Stage 2: Isla (4R) and Julian (3V)
- ★ Stage 3: Ethan (5-6T) and Jacob (5-6T)

Our Stage 2 and 3 winners will now go on to compete at the Local Final at Dulwich Hill P.S. on Friday 28th June. We wish them good luck.

Congratulations to all of our competitors and especially our winners!

Metropolitan South Operational Directorate Primary Schools Public Speaking Competition

2019

Attention Public Speakers

The Metropolitan South Operational Directorate Primary Schools Public Speaking Competition is an opportunity for students K-6 to present a speech on a topic of their choice.

Unlike the Multicultural Public Speaking Competition, this is not compulsory, but is open to those students who wish to improve their public speaking skills and to strive to compete at an elite level.

Keen students will present their speech at lunchtime early Term 3 and the winner from each stage will go on to participate at the Iron Cove Network Finals at the end of the term.

As with the Multicultural Speaking Competition, each participant must present a prepared speech and an impromptu speech to determine who will proceed to the next level. However, these speeches must not contain a multicultural element.

If your child would like to take advantage of this fantastic opportunity, please advise either Ms Vogelmann - natasha.vogelmann@det.nsw.edu.au or Ms Radburn - leah.radburn@det.nsw.edu.au Please include your child's name, class and topic idea in the email, no later than Wednesday 3 July.

Further information about how to prepare a speech will then be sent home to those who are interested.

We invite new and prospective parents and students for 2020 to come and see, hear and feel the Kegworth experience ...

Jazz For Young People

Last Monday 17 June, Jazz for Young People came to Kegworth to teach Years 4 -6 all about the history of Jazz. The three main things they taught the students about were about the Swing, Improvisation and the Blues.

The first lesson, the swing, being the pulse and the underbeat. They taught this by playing a piece and having the students click along to the pulse.

The next lesson was about improvisation which consisted of an explanation of what improvisation really is. They taught this by having a conversation with a student symbolising that improvisation is just like having a conversation but with music.

The last lesson was the Blues. We found out that the Blues was all about different emotions put into music. To show us this they chose five students who each got to choose an emotion each. The emotions included angry, triggered, joy, excitement and fear. Then the five musicians in the band each played one emotion. We all loved it when the drummer, James, showed the emotion of anger by throwing all his drumsticks on the high hat drum and they went flying into the air!

The overall experience was informative and amazing and we can't wait for them to come back and teach us more!

Worimi, have you seen

Kegworth's Gadigal Friendship Garden?

If you haven't yet seen our beautiful, upgraded garden space, please wander up to the top playground to have a look.

Our Gadigal Friendship Garden has been a long time in coming but was certainly worth the wait. In time, when more established, it will be the bearer of further cultural education, learning how the traditional owners used these plants in various ways.

Many people collaborated to get our garden opened and they should be formally thanked.

Firstly, Sara K (Otis 3V) who initially applied for a grant through Woolworth's, Junior Landcare. Not only did she succeed in receiving the grant, Sara also planned, ordered and continued to support the project, even while on an overseas holiday.

Mrs Perih, had the foresight to have the garden widened. She then employed Nat from **Morgan's Gardens**, who did a fabulous job in an amazing time frame.

The children of Stage 2 and David our school General Assistant, worked tirelessly shovelling soil and digging in plants. Ms Mazzeo brought it all together with the stunning decorations, made by the children, for the garden.

Also, a special thank you to our wonderful P&C, who supported and helped pay for some additional costs of this project. Lastly but certainly not least, of course we thank Woolworths, in conjunction with their Junior Land Care arm. Without the grant the project would probably still be a dream for the future.

We were lucky enough to have David, (GURINGAI) to perform a smoking ceremony, a very special moment for Kegworth, which cleansed and officially opened our garden.

This was a truly beautiful sharing of cultural knowledge for the students and we were very honoured to have him at our school.

We hope that when the garden is ready David and his brothers will be back to educate us on food preparation and plant uses. Many thanks to all of the above and also to those who attended on the opening!

Cool Carry Bags at Kegworth!

Kegworth is now proudly urging the school community, to use our new set of “**Borrow and Bring Back Bags**”, situated in the Lords Rd link-way. As the name suggests, we encourage our students and families to use these bags, instead of the unfriendly plastic version, when bring or taking items to and from school.

It has been a beautiful collaborative effort between Kegworth families and class 4R of 2018, who have made this happen. A very special mention to **Celia**, from **Dragstar Designs; Newtown** for donating 100 calico bags, with a desire and passion to see our school **GO GREEN**. **Mark & Steph**, from **Publisher Textiles; Leichhardt**, generously printed our bags for free.

Do yourselves a favour and check out both of these innovative and creative businesses, who pride themselves with products and services of quality, originality and sustainability.

Thank you for your support!

Environmental News

It was most exciting to see Kegworth, on the 2040 Facebook page a few weeks ago. Damon, the director of the film, who came to visit our school, was impressed with the environmental initiatives the Kegworth community already had in place, such as our composting and worm farming, the borrow and bring back bags and the Envirobank program, just to name the big ones. Although we are on the right track, there are many other simple changes we need to implement, to make the next steps. Stay tuned over the next few weeks, to find out how Kegworth is going to make a few small variations, to our daily routines, which will hugely benefit our environment. With a whole school mindset which is progressive, and a few adjustments to our habits, we are capable of making positive and significant impacts on our environment.

Envirobank Update.

Our school community has pulled together to raise just over \$2500 by recycling our 10c containers. This means we have made sure 25 000 bottles have **NOT** ended up in landfill. Well done!

Our last collection however, was not even a fifth of our usual effort. We are very grateful for the continuous support of many families, and hope that we can encourage more people, to get involved for our next collection. Our aim is to collect about 100 bags for each collection - we already have 13 waiting for

our July pick up. Let make a collective effort to reach our goal.

A huge thank you to Sarah T (5/6R) and Grace T (1/2G) for using their initiative to support Kegworth through their sporting interests... this is how they do it!

Craig and his coaches/players from Haberfield Tennis, collect bottles in the Envirobags for us. We (Sarah & Grace) collect them after our tennis lessons or on the way home from netball. It's easy and we usually end up with about 9 or 10 bags. We just drop them into the school whenever it is convenient for mum.

A big shout out to Haberfield Tennis for their continued support with our Envirobank Program and of course to the Truran Family.

If you have some tips to share on how you collect for our school, let Ms Radburn know so she can share it with the rest of our school community.

PLEASE DON'T COLLECT MILK BOTTLES OR GENERAL RECYCLING - JUST CONTAINERS WITH THE 10C LABEL. THANKING YOU.

Ethics Classes at Kegworth Public School

Could you be an ethics coordinator for Kegworth Public School?

We require volunteers to assist school staff with the organisation of the ethics program and ensure the long term viability of the program.

The ethics coordinator role involves communication with school staff for class arrangements, organising the training and background checks for the teachers, and liaising with Primary Ethics, the not-for-profit organization approved to design curriculum and training for the program.

This role provides a great opportunity for a working parent who might be unable to volunteer during school hours. The time is flexible, requiring approximately 1 hour per week predominantly online.

Ethics classes are an opportunity for children to develop skills in collaborative inquiry, logical reasoning, critical thinking, respectful disagreement, listening and self-expression. Ethics classes include scenarios, poems and stories, group work and activities to encourage the children to think about what they should do in different situations.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

If you are looking for an opportunity to make a valuable contribution to our school, please visit www.primaryethics.com.au or contact the volunteering Manager, Maria McCarthy, at maria.mccarthy@primaryethics.com.au or 0410 348 574.
