PRINCIPAL'S MESSAGE

WELCOME TO TERM 3!

Wow, I can't believe that we are already half way through our school year and there is still so much more to come!

We've kicked off Term 3 with an unexpected promotional opportunity to highlight our school and the continuing fabulous work done on the Bush Tucker Garden by class 4R students and Ms Radburn, with an appearance on Channel 7's national Sunrise Show this morning. This was such an exciting experience! Our students were amazing ambassadors for our school, not only because they had to arrive at 5:00am, but because of the way they handled themselves in front of the cameras and in between crossovers from the Channel 7 studio to the school. There were lots of times that they needed to follow specific instructions and improvise on cue and they handled everything effortlessly and without issue like true professionals. So much so, that the crew from Channel 7 highly commended the students and the school for having such fabulous students who were flexible, courteous and clearly committed to the task at hand. A wonderful experience, that no doubt will remain as one of their memorable school highlights, for years to come. Congratulations class 4R – you are all stars!

Thank you also to Ms Radburn who not only talked about our wonderful garden on national TV but also helped to prepare our students and assisted in the overall organisation within a very short timeline – you are truly amazing!

A huge thank you to all of class 4R parents who not only made sure their children arrived at school on time but also came and supported our students, often in the background, in the very early hours of this morning (even without having had their first cup of good coffee) – you were fantastic on and off the camera and we are truly appreciative of your support!

If you missed this morning's program – have a look via the link: <https://spaces.hightail.com/receive/F3qH964ETC>

EARN & LEARN PROGRAM

If you missed last term's Skoolbag notice, our final total was 40 826 points! Amazing effort achieved – thank you to everyone who supported our school.

The school decided to use the points to purchase more digital technology equipment so that all students could benefit from this year's fundraising program. Ms Wilson has been shopping and has purchased items which amounted to over \$2000 worth of stuff! Included in the purchase are: Grove kits which fix onto microbits, making the microbits more versatile. A number of magnetic boards were also purchased to assist students to use for animations work. Clear grids were also purchased to go with the blue bots that the school has already been using. The school (and Ms Wilson) is excitedly waiting for all of these items to be delivered to the school.

SENIOR PLAYGROUND TOILET UPGRADE

As you are aware, work on our Senior Toilets is now well underway. The contractors have demolished the interior and all of the walls and floors have been scrubbed clean in readiness for the next stage which will involve filling all the holes to provide a smooth and even surface, ready for tiling. The grills have been removed and prepared for painting. Here is a sneak peek....

Enjoy your weeks...

😊 Belinda Perih

Book Club

Welcome to Book Club for Term 3 - 2019!

As our school has signed up for LOOP, which is an online ordering facility for parents, we will no longer be accepting cheque or cash orders.

Therefore you do not need to fill in or return the paper order forms. Please follow the link on the back of the order form.

All orders for Issue 3 must be completed by **Friday 9 August**

Happy ordering,
Natasha Vogelmann

CALLING ALL SCIENTISTS IN STAGE 1

As part of our Science unit – “Material World”, the students will be investigating how materials can be changed and how different materials can be combined.

This term we are going to kick start the unit of work with a **Science Day** which will be held at school on **Friday 26 July**.

The students will be participating in a variety of activities and experiments on the day. It would be wonderful if students could **dress up** as a **scientist** for the day. Please make do with what you have at home, there is no need to go out and buy outfits especially for the day.

IN ADDITION ... if you have any of the following items at home, we would love if you could bring them in for the students to make and create throughout the term.

Please leave all items in the boxes / containers marked in the library link way (closest to the courtyard double doors):

- ★ corks
- ★ bottle tops (plastic and metal)
- ★ coffee pods (e.g. Nespresso. EMPTY and CLEAN)
- ★ soy sauce ‘fish’ bottles
- ★ polystyrene / plastic trays (various sizes)
- ★ egg cartons
- ★ small yoghurt pots
- ★ fruit/vegie nets
- ★ magazines- National Geographic, gardening, travel and motoring (please avoid sending in fashion magazines)
- ★ packaging chips
- ★ SMALL, UNWANTED electrical appliances that don’t work (to be pulled apart)

We look forward to a great day (and term) of discovery,
Stage 1 Teachers

Kegworth Student Community has been invited to participate in the following workshop. It is a terrific opportunity for our children to participate in an art session to celebrate NAIDOC Week.

Places are very limited, so book in quick if you are interested.

Join us at Boomalli Aboriginal Artists Co-operative on Saturday 27th July from 1- 3pm for our NAIDOC Artists' Workshop with Kevin Winanggaay May.

An interactive drawing workshop designed for ages 5 and up.

- When: Saturday 27th July
- Where: Boomalli Aboriginal Artists Co-operative, 55-59 Flood St Leichhardt.
- Times: 1pm - 3pm
- Limited spaces available: 20 max.

This is a free event supported by the Inner West Council's Stronger Communities Program.

A small donation would be appreciated to assist Boomalli with being able to continue to offer similar workshops.

Please be advised all children must be supervised by a parent or guardian during the workshop.

Cool Carry Bags at Kegworth!

Kegworth is now proudly urging the school community, to use our new set of “**Borrow and Bring Back Bags**”, situated in the Lords Rd link-way. As the name suggests, we encourage our students and families to use these bags, instead of the unfriendly plastic version, when bring or taking items to and from school.

It has been a beautiful collaborative effort between Kegworth families and class 4R of 2018, who have made this happen. A very special mention to **Celia**, from **Dragstar Designs; Newtown** for donating 100 calico bags, with a desire and passion to see our school **GO GREEN**. **Mark & Steph**, from **Publisher Textiles; Leichhardt**, generously printed our bags for free.

Do yourselves a favour and check out both of these innovative and creative businesses, who pride themselves with products and services of quality, originality and sustainability.

Sustainability at Kegworth

We're working hard to make Kegworth a zero-waste school. Here are a couple of things that we'll be introducing soon:

- All classes will have a collection bag for soft plastics so that they can be recycled
- All classes will have their own reusable cutlery so that the canteen can stop using plastic cutlery.

PLASTIC FREE JULY!

Plastic Free July is a global movement that helps millions of people be part of the solution to plastic pollution – so we can have cleaner streets, oceans, and beautiful communities.

Are you up for the challenge?

Going cold turkey on plastic isn't as hard as you might think.

- ★ **Create zero waste lunchboxes**
- ★ **Say no to plastic straws**
- ★ **Always carry a cloth shopping bag (and at school, make use of the Kegworth borrow bags!)**

We'll be posting more tips in the Kegworth Public School parents, carers and community Facebook group!

Ethics Classes at Kegworth Public School

Could you be an ethics coordinator for Kegworth Public School?

We require volunteers to assist school staff with the organisation of the ethics program and ensure the long term viability of the program.

The ethics coordinator role involves communication with school staff for class arrangements, organising the training and background checks for the teachers, and liaising with Primary Ethics, the not-for-profit organization approved to design curriculum and training for the program.

This role provides a great opportunity for a working parent who might be unable to volunteer during school hours. The time is flexible, requiring approximately 1 hour per week predominantly online.

Ethics classes are an opportunity for children to develop skills in collaborative inquiry, logical reasoning, critical thinking, respectful disagreement, listening and self-expression. Ethics classes include scenarios, poems and stories, group work and activities to encourage the children to think about what they should do in different situations.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

CHESS!!

Learn to be a chess champion! Coaching for students at Kegworth Public School is held on Wednesdays from 11:15am to 12:15pm, starting on 24 July 2019.

Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.

Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.

If your child is interested in taking part, you can collect an enrolment form from the school office, or email enrol@sydneyacademyofchess.com.au for a copy. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

ILLEGAL PARKING PUTS CHILDREN'S LIVES AT RISK

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need **YOU** to take extra care when driving and parking around school zones.

No Parking

No waiting. You have 2 minutes to drop-off or pick-up. You must stay within 3 metres of your vehicle.

No Stopping

You must not stop on a length of road with a No Stopping sign. The first 10m from an intersection is a no stopping zone. Yellow kerb lines are also No Stopping zones.

Bus Zone

Only a public bus can stop in a bus zone.

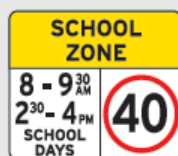

Mobile Phones

Extra fines apply for using mobile phones in a school zone.

May be subject to Double Demerits

Speeding Offences

40km/h is the limit. Children are vulnerable, so slow down in school zones.

May be subject to Double Demerits

Pedestrian Crossings

1. In a queue of traffic, no part of your vehicle can stop on a pedestrian crossing.
2. Do not let your child in or out of a vehicle at a pedestrian crossing as this is a No Stopping zone.

Driveways & Footpaths

Do not park on or across a driveway or footpath.

U turns

Illegal on or near a pedestrian crossing and across double white lines.

Double Parking

Double parking is illegal and is very dangerous in a school zone.

 **INNER WEST COUNCIL**

*Fines current as of March 2018. Fines and demerit points are subject to change. For more information check out the NSW Centre for Road Safety website.
