

KEGWORTH POST

Courtesy, Care and Commitment

Acknowledgement of Country

I acknowledge and respect the Gadigal owners that have cared for the land including Eora, the area we live in today. We pay our respects to the elders, past, present, and emerging. I thank my parents, who brought me into this world, but I also thank the amazing custodians who took care of this world. I respect my fellow classmates Aboriginal and Torres Strait Islanders or other. We should include everyone and treat each other with respect and remember that appearance doesn't matter.

PRINCIPAL’S MESSAGE

❖ NEW “KEGWORTH KIDS” LOGO

You may have noticed a new addition to the front page of this ‘Kegworth Post’, if you haven’t – please go back and have a look at our new “Kegworth Kids” logo. Our new “Kegworth Kids” logo is representative of the diverse fabric of cultures that make our Kegworth school community so unique and special. It also depicts a small snapshot of the variety of programs and activities that Kegworth has to offer all our students - academic, environment & sustainability, music & creative arts, fundamental movement, sport & wellbeing, to name just a few. Student representation from our youngest preschoolers to our oldest students supports the connection and P – 6 ethos across our school community. Thank you to Anton Emdin (ex-Kegworth parent) for his talented graphic artwork and also to our P&C and Karen Laing, for initiating and working through this project over many months throughout this year. We love the end result!

❖ 2023 MUSIC PROGRAM – BAND & STRING ENSEMBLE GROUPS

Information is being forwarded home this week for students who are currently participating in the 2022 Music Program (Band & Strings) to determine your child’s commitment to the program for 2023. Parents & carers are asked to return this information to the school front office by the due date, so that program preparations for next year can begin.

If your child is interested in joining the 2023 Music Program in either Strings or Band or both, information will be forwarded shortly about upcoming information sessions, blow and bow testing, program costings

and tutor information. Updated Music Handbooks for 2023 Band and Strings Ensemble groups are already on the Kegworth P&C website should you wish to review the program requirements.

On Friday 25 November, we will be bringing back our annual Music Night. Our last one was held at the end of 2019!! We're thrilled to be able to once again showcase all of our performance groups – band, strings, choir, ukulele, recorder & dance. It's such an enjoyable evening and everyone is invited to attend! A flyer has been included further in this newsletter. Look out for more specific information - coming shortly.

This week, both the band and string ensembles will be rehearsing in the school's Assembly Hall. From approx. 8:50am, when the hall roller door is opened, interested students will get an insight to see and hear how each of the ensemble groups sound, get to know some of the instruments, see how rehearsals are run and meet the ensemble conductors. A different opportunity will be made available for parents & carers – watch out for more information to come!

❖ TERM 4 STATEMENT OF ACCOUNTS

Our final “Statement of Accounts” for 2022 will be forwarded home via School Bytes shortly. It is important that your child’s accounts is brought up to date before the end of the school year, particularly for our leaving Year 6 students.

If and when you have submitted a permission note or e-form for any school incursion or excursion, you have agreed to cover the cost for this school activity for your child / children to participate. The school often has to pay in advance for many of the school activities offered and recoups these monies when parents & carers pay their child's statement of account each term. When parents & carers don't pay and / or do not contact the school for payment assistance, it leaves the school's funds in deficit which jeopardises other school funded program and projects.

Our school understands that sometimes parents and carers are busy with work and other commitments and may have genuinely overlooked finalising their child's account. There is still plenty of time between now and the end of this school year to bring the account up to date. Payments can always be made via the Parent Online Payment (POP) system (preferred method) or via the school office via EFTPOS.

When you receive your child's statement and if you are unsure about or have queries relating to your child's account, please do not hesitate to contact Melanie Wales (School Administrative Manager) by email: melanie.wales@det.nsw.edu.au

❖ **WORLD TEACHER'S DAY – THANK YOU TO OUR KEGWORTH TEACHING STAFF and P&C!**

World Teachers' Day celebrates the essential role of teachers in providing quality education. It aims to mobilise support for teachers and to ensure that the needs of future generations will continue to be met by teachers. This year it was held on Friday 28 October 2022. Thank you to our 

wonderfully generous P&C treated our Kegworth staff to a delicious morning tea and coffee cards, in appreciation for the work that the staff regularly do at our school. Such a lovely gesture from our parent community – our staff were genuinely touched and very appreciative! Thank you to all of our Kegworth teachers for making a 'difference' to each and every student. For always striving, guiding and providing opportunities for our students to

face challenges beyond books so
that each student can achieve the best that they can be!

😊 Enjoy your weeks ...

2022 REMEMBRANCE DAY

HONOUR OUR FALLEN THIS REMEMBRANCE DAY

At 5am on 11 November 1918, three German government representatives accepted the Armistice terms presented to them by an allied commander, General Foch of the French Army. The demands of the Armistice included the withdrawal of German forces to the east bank of the Rhine within 30 days; immediate cessation of warfare; and surrender of the German fleet and all heavy guns with no further negotiations until the signing of the peace treaty.

The armistice became effective at 11am the same day, and as the guns fell silent on the Western Front in France and Belgium, four years of hostilities ended.

The cease-fire was made permanent the following year when members of the Commonwealth and the League of Nations signed the Treaty of Versailles. People across the world celebrated the war's end - celebrations tempered by thoughts of the enormous suffering and loss of life resulting from the War.

World War I began in 1914 and lasted for four years. More than 416 000 Australians volunteered for service in World War I. Of these, 324 000 served overseas. More than 60 000 Australians were killed, including 45 000 who died on the Western Front in France and Belgium and more than 8 000 who died on the Gallipoli Peninsula in Turkey. As well as Australian soldiers, many nurses in the Australian Army Nursing Service served on the Western Front. These nurses worked in overcrowded hospitals for up to 16 hours a day, looking after soldiers with shocking injuries and burns. Those who worked in hospitals close to the fighting were also in danger of being shelled by the enemy.

In Australia and other allied countries, including New Zealand, Canada and the United States, 11 November became known as Armistice Day - a day to remember those who died in World War I. The day continues to be commemorated in Allied countries.

After World War II the Australian Government agreed to the United Kingdom's proposal that Armistice Day be renamed Remembrance Day to commemorate those who were killed in both World Wars. Today the loss of Australian lives from all wars and conflicts is commemorated on Remembrance Day.

In October 1997 the then Governor-General issued a Proclamation declaring 11 November as REMEMBRANCE DAY - a day to remember the sacrifice of those who have died for Australia in wars and conflicts.

Observation of silence at 11:00am

As a mark of respect to those who have died and suffered, people in Australia are encouraged to stop what they are doing at 11:00am to observe one minute's silence and reflect on the loss and suffering caused by war.

At 11:00am on 11 November 1919, Australians, for the first time, paused and stood in silent tribute to the men and women of the 1st Australian Imperial Force who had died on battlefields in Gallipoli, Europe and in the Middle East.

On Remembrance Day - Friday 11 November, our school stopped at 11:00am for a minute of silence as a sign of respect and in recognition for our fallen service men and women.
