PRINCIPAL'S MESSAGE

EDUCATION WEEK: CELEBRATING 175 YEARS OF PUBLIC EDUCATION:

This coming WEDNESDAY 2 AUGUST will be our Education Week Open Morning. Starting at 8.30am we will have some performances in the assembly hall from:

- The Kookaburra Choir
- The School Choir
- The Recorder Group
- Strings Ensembles
- Our Bands

The children will then go to their classrooms at 9.15 and parents are welcome to join them through until 10.30am.

REPORTING & COMMUNICATION WITH PARENTS/CARERS:

At Kegworth, parents/carers receive a formal school report at the end of Semester 1 & at the end of Semester 2. We also have formal parent/teacher interviews at the end of Term 1. However, these are **DEFINITELY NOT** the only times parents/carers can interact with teachers. Outside of these times parents can contact their child's teacher via email, phone, class platforms like dojo or seesaw and can request face to face interviews about a specific issue or for a general update on their child's progress.

KEGWORTH ANTI-BULLYING PLAN:

As part of our PBL Framework and the DET Anti-Bullying Policy Kegworth follows an Anti-Bullying Plan. The plan aims to teach children about what bullying is and to provide them with strategies to manage and deal with it. The plan runs in fortnightly topics. Term 3 looks like this:

- WEEK 2: The Power of Positivity: Positivity can drown out bullying.
- WEEK 4: Follow your Heart not the Herd: Bystander to Upstander.
- WEEK 6: What is Bullying: Bullying has 3 key features.
- WEEK 8: What is NOT bullying?

SCHOOL CANTEEN:

Maria, our amazing canteen provider, has advised the school that term 3 will be her last at Kegworth. Maria has been a really important part of our Kegworth Community for years. Apart from providing our regular lunch ordering service she has filled many roles over the years from providing the sausage sizzle at athletics carnivals to quietly helping families out in times of need. She has been an absolute legend and we will miss her a lot. There are 4 dates this term where there will be **NO** canteen (see the calendar on page 1) I have added them to the parent calendar in AUDIRI as well. The P&C and I have started the challenging process of finding a new canteen provider for our children. Thanks Maria

ATHLETICS CARNIVAL RIBBON CEREMONY:

The Ribbon Ceremony for this year's athletics carnival will be on **TUESDAY 8 AUGUST (Week 4) at 2.30 pm** in the assembly hall for children in Y2-Y6. Parents are more than welcome to attend.

TRIVIA NIGHT FRIDAY 28 AUGUST

Our Music Committee are hosting the **"SCHOOL OF ROCK TRIVIA NIGHT"** tonight in the school Assembly Hall at 7pm. Tickets are \$50 and are available on flexischools and at the door.

I'm heading off to Canberra for the weekend this afternoon (don't laugh), enjoy your weekend, see you next week.

Cheers

Phil

Dear Parents and Carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- **year of schooling**
- **category of disability: physical, cognitive, sensory or social/emotional**
- **level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.**

This information assists schools to:

- **formally recognise the supports and adjustments provided to students with disability in schools**
- **consider how they can strengthen the support of students with disability in schools**
- **develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.**

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Phil Toovey
